ABOUT ME

I am passionate about finance and innovation. I have always had a soft spot for new technologies, and I have a very analytical mindset.

I believe in business models that can be developed to add value to humanity and make a social change, enhancing innovation and sustainability aspects.

As it is a crucial part of today's world, I am always motivated to be constantly learning, I have great adaptability and an international perspective.

I consider myself as open-minded, optimistic and enthusiastic, with an aptitude for teamwork.
